Electors will consider the following issue at the election:

- Mill levy proposition to finance the school's General Fund
- Proposition: Shall the board of trustees be authorized to impose an increase in local taxes to support the general fund in the amount of \$39,000 which is approximately 2.06 mills for the purpose of general operation and maintenance of the District. Passage of this proposal will increase the taxes on a home with a market value of \$100,000 by approximately \$2.78, on a home with a market value of \$300,000 by approximately \$8.34, on a home with a market value of \$600,000 by approximately \$16.69. An increase in property taxes may lead to an increase in rental costs. The durational limit of the levy is permanent once approved by the voters, assuming the district levies that amount each year thereafter. However, lowering over-BASE tax levies in any year will lower the amount of permissively over-BASE levies in subsequent years.
